

Sour Oil & Gas Advanced Technology 2010

March 28 – April 1: Hilton Hotel, Abu Dhabi, UAE

- 6th International SOGAT Conference
- 4th International CO2 Forum
- SOGAT Workshops
- SOGAT Exhibition

Since our last newsletter, Saudi Aramco and DOW have joined us as sponsors, thus adding to the profile of the event.

Also there are to be workshops on 'Acid Gas Injection', 'Sulphur Recovery, Processing and Handling' and 'Amine Sweetening', thus giving delegates a greater choice for SOGAT 2010 than in previous years.

Additionally, Qatargas, TOTAL, Sulphur Experts, ENERSUL, Ametek, Duiker, Scott Health & Safety, Friatec, Goar, Allison & Associates, AMGAS, Black & Veatch, Thorpe Corporation, Gas Liquids Engineering, CSI, Perma-Pipe, ICL and Twin Process Filtration are exhibiting with other companies expected to confirm their exhibition participation shortly.

To date papers have been offered by ADCO, Qatargas, OGTI, CSI, Indian Oil Corporation, ENERSUL, DOW, Baker Hughes and Sulphur Experts, and we are expecting further offers from ADNOC/CoP Joint Venture, BASF, MASDAR, OGDCL, Prosernat, Bureau Veritas, ADGAS, Worley Parsons, Black & Veatch, TOTAL, Saudi Aramco, Fluor, Schlumberger, Axens, etc.

Please be reminded that the deadline for submitting abstracts is **December 17th**.
